NOTES TO FORM

RATE OF TAX: The present rate of tax is 1.25% of all taxable income earned after January 1, 2006.

WHO MUST FILE: Each employer within or doing business within the Village of Bluffton, who employs one or more employees on a salary, wage, commissions or other compensation basis, shall withhold from such compensation earned and paid after January 1, 1978, the tax at the rate that is in effect when such compensation is earned. The tax is to be computed on the gross amount of such compensation. On or before the last day of the month following the end of the quarter, each employer shall submit a Form W-1 to the Bluffton Income Tax Dept. and make payable to The Village of Bluffton the amount of taxes that has been withheld or should have been withheld. No employer shall be required to withhold tax on wages or other compensation paid domestic servants employed exclusively in or about such person's residence nor from persons under 16 years of age.

DEFINITION OF EMPLOYER: The term "employer" means an individual, partnership, association, corporation, governmental body or unit or agency, or any other entity whether or not organized for profit, who or that employs one or more persons on a salary, wage, commission or other compensation basis.

QUARTERLY ADJUSTMENTS: If an error in withholding has been made in a previous quarter, the employer should make the proper adjustment and report only such adjusted total on the face of this return. In the case of an error not discovered until subsequent tax year, report the circumstance to the tax office and correction procedures will be outlined.

PENALTIES:

- 1. LATE FILING** - There is imposed a penalty of 5% of the unpaid tax for each month or fraction thereof, after said tax became due. If an employer's return is late, he may compute the penalty and interest and list them below the tax entry on the Form W-1. His remittance must cover the tax plus the penalty and interest. If the employer prefers he may pay only the amount of tax, in which case an assessment will be sent for the amount of penalty and interest thereon.
- 2. FAILURE TO FILE** - An employer who fails to withhold tax from an employee's compensation, who fails to remit the withheld tax to the Village of Bluffton, or who shall attempt to do anything whatever to avoid the payment of the whole or any part to the tax shall be guilty of a misdemeanor and upon conviction thereof, shall be fined not more than one thousand dollars (\$1,000.00) or imprisoned for not more than six (6) months, or both. The failure of any employer to receive or procure a return form shall not excuse him from making a return or from paying the tax.

INTEREST:

All taxes unpaid after they have become due bear interest from the due date, at the rate of .5% per month or fraction thereof, until paid.
